

## **GEDWorks™ Self-Study Program Providers**

### **About Kentucky Educational Television (KET) and Fast Forward**

[Fast Forward](#) is KET's self-paced online learning system for GED® test preparation. Fast Forward includes step-by-step lessons, test tips, instructional videos, interactive animations, and plenty of practice problems. This mobile-friendly learning system emphasizes the skills required for college and career success and is aligned to the GED® test standards in language arts, mathematics, science, and social studies. KET is proud to be a nationally-recognized provider of top-quality adult education, life skills, and workforce development instructional resources and related professional development. Learn more at [www.KETFastForward.org](http://www.KETFastForward.org).

### **About Pearson's MyFoundationsLab for GED® Prep**

Pearson's [MyFoundationsLab](#) for GED® Prep goes beyond a "practice only" approach; instead, it aims to remediate gaps in student knowledge to truly succeed not just on the GED® but in their plans for beyond. MyFoundationsLab is a mastery-based online program that diagnoses student strengths and weaknesses, generates a personalized and adaptive Learning Path and helps the student systematically remediate those weaknesses. Students are able to master skills at their level, working at their own pace. For more information, visit [www.myfoundationslab.com](http://www.myfoundationslab.com). Pearson is the world's largest education company, working in more than 70 countries to help people of all ages make measurable progress in their lives through learning.
